Our aim is to make trading with Unicorn easy. We try very hard to have an appreciation of our customers problems and to have a minimum of rules. We feel the stating of our policies will make it easier and more profitable for our customers to deal with Unicorn.

1. WARNING

Darts is an adult sport. It is dangerous for children to play without supervision. We recommend that a dealer should exercise discretion where any sale might result in children playing without adult supervision.

2. DISTRIBUTION

We are geared to supply goods to accredited retailers only and thus cannot give satisfaction to clubs or individuals, whom we refer to local dealers, anxious and ready to provide a prompt and complete service.

3. SPECIFICATIONS

We have taken every care to ensure that the information detailed in this catalogue is truthful and accurate. All weights and sizes are approximate and for guidance and comparison only. Should circumstances arising subsequent to publication, e.g. world shortages of raw materials, render as unavoidable some changes in production, Unicorn Products Limited reserves absolute discretion to make these or any other changes they deem necessary without notice and obligation.

4. PRODUCT IMPROVEMENT

Continuous research and development will bring about changes in design, material and arrangement of our products during the life of this catalogue. We shall pass to our customers such benefits or improvements as they occur by delivering the latest version of any product. Such improvements or modifications as may be introduced do not place us under any obligation to make similar changes in articles sold before the date of introduction.

5. STANDARD PACKS

Many of the items in this catalogue are prepacked in convenient size standard packs. The standard pack has been selected for ease of stocking and ordering, economy in production and to ensure safe transit of the contents. For these reasons we cannot split standard packs and where orders call for other than standard packs we shall adjust the order to the nearest pack quantity.

6. GUARANTEE

It is our aim to ensure the complete satisfaction of our customers and in case of a genuine complaint as to the quality of our goods, we shall be anxious to rectify any fault of our own free will and at our discretion only.

7. IMITATIONS

The design, construction and trade names of most of our products are protected by patents, design registrations, trade marks, copyrights and/or pending applications and rigorous action will be taken against all infringers to protect both dealer and users from imitation.

8. ACCEPTANCE OF ORDER

All orders are accepted by us on the understanding that our Conditions of Sale as stated in our current price list form the basis of the Contract of Sale entered into by the placing and acceptance of such orders.

Jiffy Sharpeners

Blunt points ruin the dartboard and often cause loss of score. The JIFFY dart sharpener consists of an abrasive stone with a conical cavity. A dart point rubbed around this a few times will be maintained in perfect trim. Best quality vitrified silicon carbide. Double ended for twice the life. Packed 12 per dispenser pack.

46002 Jiffy

46042 Keyfob Dart Sharpener

Real leather keyfob incorporating double ended dart sharpener and tough plated key ring. Ideal gift – practical, long lasting. Packed 12 per display card.

46043 Necklet Dart Sharpener

As 46042 but with strong leather thong necklet in place of keyring. Always ready for use – prevents accidental loss of sharpener. Packed 12 per display card.
