El deporte de los dardos es para adultos. Es peligroso que los niños jueguen sin vigilancia.

To our customers . . .

The Unicorn catalogue is acknowledged as the standard reference work for all that is best in darts equipment.

The '83 catalogue has been entirely revised, making it even more readable and easier to use than ever.

Almost every page contains new items and presentations.

... Here are some highlights:

Tungsten Alloy Darts pages 4-7

T90

Completely revised and re-packaged, many new models.

Cliff Lazarenko —

"Big Cliff" darts join re-packaged John Lowe and Barry Twomlow darts.

JetSet/Dynamite —

Smart new packs, improved wallets.

Satin Finish Darts pages 8-9

Satin Slims/Satinlux —

New presentations, even more appeal.

Nickel Silver Darts page 10

Silver Comet

Entirely new range.

Our aim is to make trading with Unicorn easy. We try very hard to have an appreciation of our customers problems and to have a minimum of rules. We feel the stating of our policies will make it easier and more profitable for our customers to deal with Unicorn.

1. WARNING

Darts is an adult sport. It is dangerous for children to play without supervision. We recommend that a dealer should exercise discretion where any sale might result in children playing without adult supervision.

2. DISTRIBUTION

We are geared to supply goods to accredited retailers only and thus cannot give satisfaction to clubs or individuals, whom we refer to local dealers, anxious and ready to provide a prompt and complete service.

3. SPECIFICATIONS

We have taken every care to ensure that the information detailed in this catalogue is truthful and accurate. All weights and sizes are approximate and for guidance and comparison only. Should circumstances arising subsequent to publication, e.g. world shortages of raw materials, render as unavoidable some changes in production, Unicorn Products Limited reserves absolute discretion to make these or any other changes they deem necessary without notice and obligation.

4. PRODUCT IMPROVEMENT

Continuous research and development will bring about changes in design, material and arrangement of our products during the life of this catalogue. We shall pass to our customers such benefits or improvements as they occur by delivering the latest version of any product. Such improvements or modifications as may be introduced do not place us under any obligation to make similar changes in articles sold before the date of introduction.

Special Brass Darts pages 10-11

Tungsten Alloy Darts

From the World's foremost specialist Dart design team.

Unicorn transformed Darts with the introduction of Tungsten Alloy some ten years ago. Twice as dense as brass, a Tungsten Alloy dart can be half the size of a brass dart of equivalent weight, for streamlined directional stability and closer grouping.

T90

The ultimate Tungsten dart 90% Tungsten Nickel Alloy

Smallest possible size to weight ratio for extra close grouping. 3 distinctive styles, each in a range of weights, provide the optimum combination of balance, weight and grip to suit every player.

Material Specification
