

To our customers....

Our aim is to make trading with Unicorn easy
We try very hard to have an appreciation of our customers' problems
and to have a minimum of rules
We feel the stating of our policies will make it easier and
more profitable for our customers to deal with Unicorn

1. WARNING

DARTS IS AN ADULT SPORT. IT IS DANGEROUS FOR CHILDREN TO PLAY
WITHOUT SUPERVISION. WE RECOMMEND THAT A DEALER SHOULD
EXERCISE DISCRETION WHERE ANY SALE MIGHT RESULT IN CHILDREN
PLAYING WITHOUT ADULT SUPERVISION

2. DISTRIBUTION

We are geared to supply goods to accredited retailers only and thus
cannot give satisfaction to clubs or individuals, whom we refer to local
dealers, anxious and ready to provide a prompt and complete service

3. SPECIFICATIONS

We have taken every care to ensure that the information detailed in
this catalogue is truthful and accurate. All weights and sizes are
approximate and for guidance and comparison only. Should
circumstances arising subsequent to publication render as
unavoidable some changes in production, Unicorn Products Limited
reserves absolute discretion to make these or any other changes
they deem necessary without notice or obligation

4. PRODUCT IMPROVEMENT

Continuous research and development will bring about changes in
design, material and arrangement of our products during the life of
this catalogue. We shall pass to our customers such benefits or
improvements as they occur by delivering the latest version of any
product. Such improvements or modifications as may be introduced
do not place us under any obligation to make similar changes in
articles sold before the date of introduction

5. STANDARD PACKS

Many of the items in this catalogue are prepacked in convenient size
standard packs. The standard pack had been selected for ease of
stocking and ordering, economy in production and to ensure safe
transit of the contents. For these reasons we cannot split standard
packs and where orders call for other than standard packs we shall
adjust the order to the nearest pack quantity

6. GUARANTEE

It is our aim to ensure the complete satisfaction of our customers and
in case of a genuine complaint as to the quality of our goods, we shall
be anxious to rectify any fault of our own free will and at our
discretion only

7. IMITATIONS

The design, construction and trade names of most of our products are
protected by patents, design registrations, trade marks, copyrights
and/or pending applications and rigorous action will be taken against
all infringers to protect both dealer and users from imitation

8. ACCEPTANCE OF ORDER

All orders are accepted by us on the understanding that our
Conditions of Sale as stated in our current price list form the basis of
the Contract of Sale entered into by the placing and acceptance of
such orders

TITANIUM TUNGSTEN

Tomorrow's technology - Today's Dart!

A breakthrough in Tungsten technology
Created by Unicorn design specialists using state-of-the-art scientific approach

Ionised titanium fed into a plasma of ionised argon and nitrogen creates titanium nitride which 'grows' on the 90% tungsten alloy substrate

This costly technique coats the tungsten alloy surface with an ultra hard, wear and corrosion resistant compound at the same time beneficially improving texture and 'feel'

See the difference...

Gold distinction - a new look for darts
MX black SlikStik® patent shaft discreetly gold banded
Golden 'Q'™ Super-wave metallic flights
Laser engraved Unicorn hallmark of quality
Deluxe Designer Case

Feel the difference...

New texture, optimum 'feel', grip without slip but the smoothest release yet
Surface does not absorb natural oil in fingers - 'feel' retained throughout its long life
