

PowerGlide®

BOOK OF CUES 2027

PowerGlide®

OFFICIAL CUE PARTNER

RANGE HIGHLIGHTS:

- North American straight grain ash matched grain, wood veneers
- Carbon composite reinforced, shock-resistant snooker cues
- Aerospace grade carbon fibre
- Improved specifications
- Technologically advanced materials

ONE PIECE, TWO PIECE AND $\frac{3}{4}$ JOINTED

A select range of PowerGlide cues available in one piece, two piece or $\frac{3}{4}$ jointed. One piece cues give best feel on the shot, two piece cues are split into two equal halves for ease of carrying. The $\frac{3}{4}$ jointed cues move the joint towards the butt out of the player's line of sight.

1 PIECE

2 PIECE

$\frac{3}{4}$ JOINTED

SNOOKER RANGE FEATURES

PROFESSIONAL

- North American ash with straight grain and hand spliced
- A mix of exotic and natural veneers
- Shafts made from a single piece of selected straight-grain ash
- Matched grains at joint on two piece cues
- Quick release vacuum, engraved brass joint
- 6" mini butt included

TOURNAMENT

- The latest technology and manufacturing techniques
- These are combined with traditional cue making skills
- Selected enhanced grain ash shafts
- Machine spliced joints
- Attractive hand-finished veneers
- Quality rosewood butts
- The range includes two piece and $\frac{3}{4}$ jointed options

CLASSIC

- Eye-catching designs and striking cosmetics
- PowerGlide quality and attention to detail
- A selection of ash, hardwood and composite shafts
- Two piece and one piece options (including shorter cues for club/recreational use)

CARBON

- 3K Carbon and composite reinforced shaft and butt
- 3K Aerospace grade carbon fibre has higher elongation giving strength and stiffness
- Shock dampening 3M foam to butt for reduced vibration
- Matt EasyGlide finish with a hollow shaft creating low deflection to reduce mass at the tip
- Stainless steel precision engineered radial pin joint for excellent power transfer
- Stainless steel ferrule
- High grade seven layer 10mm natural leather tip for control, feel and spin
- Protective and ergonomically designed rubber bumper avoids damage
- Discreet PowerGlide logo
- Metallic detailing and highlights
- 57"
- Assorted weights 18oz, 19oz

FIBREGLASS

- Fibreglass and composite reinforced shaft to reduce deflection
- Ultra smooth high gloss multi layered paint and lacquer finish
- Matt EasyGlide shaft finish
- Shock dampening 3M foam to butt for reduced vibration
- Stainless steel ferrule and precision engineered quick release joint for excellent power transfer
- High grade seven layer 10mm natural leather tip for control, feel and spin
- Protective and ergonomically designed rubber bumper avoids damage
- Discreet PowerGlide logo
- 57"
- Assorted weights 18oz, 19oz
